STATUS REQUEST

Sir:

A response to the final rejection of January 27, 2004 was faxed to the Examiner on April 22, 2004. Fax receipts indicate that this was received.

A review of PAIR does not indicate that these amendments were received. A telephone call was not returned.

As such, copies of everything, including the fax receipts, are resubmitted, and applicants again query as to when they will receive a response to their amendment after final rejection.

Respectfully submitted,
